Dear Ms. Vanasse:

We are pleased to acknowledge receipt of the *Sharps Collection Program Plan for the Prince Edward Island Medical Sharp Stewardship Program (December 2014)* submitted on behalf of the brand owners represented by Health Products Stewardship Association (HPSA), in response to of the Prince Edward Island *Environmental Protection Act* Materials Stewardship and Recycling Regulations.

It is also my understanding that Health Products Stewardship Association operate similar stewardship programs in other provincial jurisdictions (BC, MB & ON) and have extensive experience representing obligated brand owners. I encourage you to call upon the staff of our Environment Division and representatives of Island Waste Management Corporation (IWMC) to provide any assistance you may require in preparing for the June 1, 2015 program launch.

In consideration of the above and pursuant to subsection 102(5) of the *Environmental Protection Act* Material Stewardship and Recycling Regulations, I hereby approve the Sharps Collection Program Plan for the Prince Edward Island Medical Sharp Stewardship Program (December 2014) submitted by Health Products Stewardship Association

Sharps industry brand owners and the staff of HPSA are to be commended for their commitment to improving the environmental management of end-of-life medical sharps. I wish you much success with your operations in Prince Edward Island.

Sincerely,

Janice Sherry
Minister and Attorney General

Dear Ms. Vanasse:

We are pleased to acknowledge receipt of the *Medication Return Program Plan for the Prince Edward Island Pharmaceutical Product Stewardship Program (December 2014)*, submitted on behalf of the brand owners represented by Health Products Stewardship Association (HPSA), in response to of the Prince Edward Island *Environmental Protection Act* Materials Stewardship and Recycling Regulations.

It is also my understanding that Health Products Stewardship Association operate similar stewardship programs in other provincial jurisdictions (BC, MB & ON) and have extensive experience representing obligated brand owners. I encourage you to call upon the staff of our Environment Division and representatives of Island Waste Management Corporation (IWMC) to provide any assistance you may require in preparing for the June 1, 2015 program launch.

In consideration of the above and pursuant to subsection 89(5) of the *Environmental Protection Act* Material Stewardship and Recycling Regulations, I hereby approve the Medication Return Program Plan for the Prince Edward Island Pharmaceutical Product Stewardship Program (December 2014) submitted by Health Products Stewardship Association

The pharmaceutical industry brand owners and the staff of HPSA are to be commended for their commitment to improving the environmental management of end-of-life medications. I wish you much success with your operations in Prince Edward Island.

Sincerely,

Janice Sherry
Minister and Attorney General
